Parent/Guardian and School Contract

.School

Provides bikes, helmets, locks,
safety vests and proficiency course.

.Parent/Guardian

Keeps the equipment in good order

Ensures the child undertakes the
proficiency training

Ensures the equipment is returned
to the school when the child leaves

The Launch

Thoughts of Parents/Guardians and Pupils

- * I've never had a bike before so thank you so much it's brilliant and I can ride with my friends now.
- * I really feel safe after the training and being able to wear my helmet and hi viz vest.
- * I loved doing the bike project in my workbook and I now know how brakes work.
- * If Henry's bed were big enough he'd take his bike and helmet to bed with him!
- * Thank you so much. I would never have been able to afford to buy a bike and helmet for Lucy.

Phoenix St Peter Primary Academy 2024

Thank You
