in East Anglia

Rotary Club of Swaffham

Project: Ukraine Aid Vehicle

Rotary Club of Swaffham

Project: Ukraine Aid Vehicle

**The
Background**

**The
Need**

**The
Urgency**

The Man

The Plan

The Ask

The Man – Scott Stones

The Plan - 1

Problem: **Stacked warehouses but...**
...Onward distribution chokepoints
...Perishable items / seasonal goods
...Unrelenting need
...No collection means

Solution: **A delivery service**

The Plan - 2

5-tonne lorry,
LHD, rugged,
reliable, easy to
maintain and find
cheap spare parts.

Secure storage when
not in use

The Plan - 3

Intelligence: Supply & Demand of items,
route issues

Initially: Scott, 7-10 day trips, monthly

Evolving: Training up colleagues

Exit point: Handover within 12 months

The Plan - Summary

Use this... to move these... to them.

The Ask - £20,000 Project

£10-12k Procurement of vehicle

£1-2k Spares & maintenance

£5k Running costs (fuel, storage, taxes)

£3k Misc costs and trg

First year target £20k

Progress to date ~ £5k raised

The Ask - £20,000 Project

All transactions through Rotary books

District and Area venture (60 clubs £300 each?)

Updates and publicity assured

All donations very gratefully received
